

## HUBBARD TESTIMONIAL

# POWERSTART & DESIGNRITE BLUEPRINT®

Getting pigs off to a fast start after weaning is important. Jeff Schmitt noticed that after switching to Hubbard's Powerstart program, his pigs had better bloom and their health and performance is tremendous. "The sow unit I get pigs from switched to Hubbard Feeds a few years ago", says Jeff.

**" I REALLY LIKED THE WAY THOSE PIGS LOOKED, SO I MADE THE CHANGE ON MY FARM AND HAVE BEEN VERY HAPPY. I'M FEEDING POWERSTART TO MY NURSERY PIGS AND DESIGNRITE BLUEPRINT TO MY FINISHING PIGS AND THE DAYS TO MARKET CONTINUE TO IMPROVE."**
